# RECYCLE USED LAMPS – HASSLE FREE!

**Under UK legislation businesses are obligated to dispose of old lamps responsibly. Only incandescent and halogen lamps can be thrown out with regular rubbish – the rest must be specially recycled.**

The Lightbulb Company, in partnership with Recolight, offers a cost-effective and hassle-free recycling service for all types of fluorescent and discharge lamps, helping to ensure you're meeting all regulatory requirements.

- Variety of storage containers to meet your size and volume requirements (see overleaf).
- Containers delivered to your door.
- Free collection on large volumes.
- Replacement containers supplied with each collection.

We offer **two** packages to meet your storage and volume requirements.

## 1 INDIVIDUAL SITES

Our small, durable boxes fit 4ft, 6ft and 8ft tubes, and each has an estimated capacity of 40 lamps. Boxes come flat packed for easy storage and are simple to assemble.

- **£33 per box:** initial deposit.\*
- **£15:** flat rate initial box delivery charge, regardless of quantity.
- **£45:** flat rate charge per collection, regardless of quantity.\*\*

## 2 LARGE SITES & DEPOTS

Our 1,900mm x 1,000mm x 1,200mm pallet boxes hold an estimated 1,000 lamps and are weatherproof for secure outside storage.

- **£200 per box:** initial deposit.\*
- **£80:** flat rate initial box delivery charge, regardless of quantity.
- **Free collection for locations that fill 3 pallet boxes per annum.** Sites can back-haul from branches to achieve this, with small boxes provided subject to deposit and delivered free of charge. For sites filling fewer than 3 pallet boxes annually there is a £95 flat rate charge per collection.\*\*

\*Initial deposit is returnable on termination of service, providing boxes are not unduly damaged.

\*\* Please allow 4 weeks' notice for collection – we recommend booking when your containers are 80% full.
